

Faculty Biography

J. Scott Roth, MD, FACS

Professor of Surgery
Chief, Gastrointestinal Surgery
Director, Minimally Invasive Surgery Program
University of Kentucky Medical Center
Lexington, KY

Medical school:
The Medical College of Virginia

Residency:
University of Kentucky Chandler
Medical Center

Dr. J. Scott Roth received his Bachelor's degree in biology from the College of William and Mary and his M.D. from the Medical College of Virginia, Virginia Commonwealth University. He completed his residency in general surgery at the University of Kentucky Chandler Medical Center where he also completed his fellowship in minimally invasive surgery. He is currently the Chief of Gastrointestinal Surgery and the Director of the Minimally Invasive Surgery Program at the University of Kentucky Medical Center.

Dr. Roth is an AMA CPT advisor representing SAGES and has completed more than 75 manuscripts, 20 book chapters, and numerous published abstracts. His research interests include hernia repair outcomes, biomaterials for hernia repair, the biologic basis of hernia formation, tissue engineering approaches for the repair of abdominal wall hernias, and the economics of reimbursement related to hernia repair.
